Family Members Profile

Mother: Nancy, age 36, high school graduate. She works nights in a hospital and provides some family income. She works 20 hours/week at minimum wage. She has received \$100.00 per month child support “pass-through” from the state in the past, but her ex-husband is now unemployed and in arrears on payments.

Son: Nathan, age 17, high school graduate. He is unemployed, but is looking for work.

Daughter: Nicki, age 12, in junior high school. She has some learning disabilities.

Son: Ned, age 9, in grade school. He is doing well.

Setting

You live in a house purchased before the divorce. The home is in need of some major repairs which perhaps can be put off a little while. You own a car that is in need of some work. It is seven years old, but pretty reliable.

Income

You receive \$568.00 in take-home (gross income is \$680.00). You receive an additional \$126.00 per month from TANF for your family of four, plus \$800.00 in food stamps.
