Family Members Profile

Father: Ben, age 43, steel worker. He lost his \$4,000/month job some months ago. He has been receiving unemployment compensation of \$350.00/week but now it has run out.

Mother: Betty, age 42, high school graduate. She has never worked.

Daughter: Barbara, age 17, honor student in high school. She is looking forward to college.

Son: Bart age 15, in junior high school. He is in counseling for a shoplifting incident one year ago.

Setting

You live on a 500 acre farm with corn, cows and chickens. The family lives in the original farm house which has been in the family for over 200 years. However, you have a mortgage on the home. You owe two loans to the bank; one for remodeling the family home which was completed before the farm quit producing; and one for your corn-seeder. The corn-seeder was purchased used two years ago and your current equity is \$3,000. You use the corn-seeder for planning your crops. Your future is looking brighter because of new ethanol plant that is being built in your county which will create automobile fuel from corn.

Income

None at the present. \$250.00 left in savings account.

Budget

These are the bills you must pay during the month.

Housing (pay to mortgage and realty company)

Mortgage: \$600.00
