Family Members Profile

Mother: Gloria, age 25, with high school education. She was never employed full time. The children’s father does not pay child support. She is currently pregnant. She does not speak English well, if at all.

Son: Geraldo, age 3, who is autistic. He needs to take trips to the clinic and, on rare occasions, to the emergency room. (Although you have Medicaid, you are averaging \$40.00 per month in uncovered medical expenses) due to your pregnancy and Geraldo’s autism. Being in your 6th month of pregnancy, you must go to the clinic every month for a pre-natal exam. You often make use of the child care center at St. Joseph’s Church.

Son: George, age 4, in good health.

Setting

You live in a rented three-room flat in an old building in a deteriorating area. You are paying off your furniture and stove. Two windows are broken in your apartment but the landlord refuses to repair them. You do not have a phone, so you must either rely on using a neighbor’s phone or save change to use a pay phone.
