CLICK HERE to learn more about how we can meet your business needs.

Penske is proud to serve the transportation needs of the Society of St. Vincent de Paul.

We make it our business to become part of yours.

When you team up with Penske, you don't just get a partner, you get an ally. With trucks that are tailored to your specs, preventive maintenance and online tools backed by Penske's cutting edge capabilities, you won't lose your control, you'll just add more torque to it.

Manage your fleet and control your costs.

Our full-service truck lease program is the ultimate network of fleet services, providing the maintenance and resources to control costs and improve safety so you can focus your time, energy and capital on your business. We also offer contract maintenance services, truck rentals and used truck sales to keep your business moving.

Take Advantage of Penske's Sell2Lease Program.

We offer the highest value to acquire your used truck at the start of a full-service lease contract with Penske. Our truck purchasing program offers quick turnaround, high purchase values and no truck age restrictions.

For more information, contact Terry Cornwell at 314-851-0708 or email terry.cornwell@penske.com.

For truck rentals, call 800-PENSKE-1 and mention SVdP Rental Program #4403.
