NATIONAL STORES COMMITTEE ANNUAL REPORT

**The 2019-2020 Report Form Is Enclosed. The completed reports must be returned:
NO LATER THAN THE DATE THAT THE MAIN ANNUAL REPORT IS DUE
FROM THE CONFERENCE/COUNCIL THAT OWNS/OPERATES THE STORE**

DATABASE INFORMATION

The information requested will make possible a National database that is current. Having it at the national level will facilitate communications and mailings to all concerned. Also, knowing store openings and closings will help to track the direction of our stores program. **PLEASE USE ADDITIONAL PAPER FOR MORE STORES.**

CONSOLIDATED INCOME STATEMENT

This allows Councils to track revenue, expense, and profits versus forecasts, and identifies areas of operation needing particular attention. It makes possible the development by the National Stores Committee of operating indices which will be made available to all Councils and Conferences. Operating indices such as "expense to revenue," "wages to total expense," "value of free goods to total revenue," etc. should assist Councils to better manage their stores.

PLEASE DO NOT ADD OR CHANGE CATEGORIES - ADD ALL NON-LISTED STORES' EXPENSES UNDER "OTHER EXPENSE." IF YOU HAVE A SIGNIFICANT EXPENSE IN A NON-LISTED CATEGORY, ADD A NOTE TO THIS REPORT.
